Re: D.T.E. 04-33 – Verizon Petition for Arbitration

Dear Ms. Cottrell:

Pursuant to the procedural order adopted by the Department on March 8, 2005, MCI herewith files with the Department a copy of its proposed revisions to Verizon's proposed TRO Amendments to the interconnection agreements between MCI and Verizon, in order to implement the requirements of the *Triennial Review Remand Order* released by the Federal Communications Commission on February 4, 2005. A copy of the attached document has already been provided to Verizon for purposes of negotiations on a footprint wide basis. MCI reserves its right to make adjustments to this proposal to accommodate matters of specific concern in Massachusetts.

Please call me at the above number if you have any questions.

Very truly yours,

Richard C. Fipphen
